Subject: Keep Up the Good Work

Dear Team Members,

Our team is doing great – keep up the good work! The cruel mystery of lupus does not daunt us and we are joining thousands who, like us, are raising money to search for a cure for lupus.

A few key tips:

- If you haven't done so, make sure to set your personal fundraising goal for the Walk.
- Your Online Fundraising Center is a great tool. You can manage donations, follow up for donations and send thank you emails in one easy place.
- Don't forget to follow up with the people who have not yet responded to your donation request and send a thank you note to those who have made donations on your behalf.
- If you haven't done so, make your personal donation to your fundraising efforts and send an email to your friends and family asking them to do the same.

Thank you for your great work!

Subject: Together We Can Do So Much

Dear Friends and Family,

I'm participating in the Lupus Foundation of America, Georgia Chapter's Walk to End Lupus Now™ in my community. This event is important because it raises critical funds to improve the quality of life for all people affected by lupus through programs of research, education, support and advocacy.

Lupus is an unpredictable and misunderstood disease in which the immune system is out of balance, causing damage to any organ system in the body. The exact cause of lupus is unknown and while lupus can strike anyone at any time, 90 percent of the 1.5 million Americans living with the disease are females.

The Lupus Foundation of America is the only national force devoted to solving the mystery of lupus, one of the world's cruelest, most devastating diseases. We envision a life free of lupus. That is why I'm coming to you now, to ask for your support. Will you make a tax-deductible donation to support my fundraising efforts? Your gift today can make a definite impact and help me to get closer to my fundraising goal. Donating is simple and secure; just click on my fundraising link below to make your donation today.

What's more, if your employer offers a Matching Gift Program to employees you may be able to double your contribution. To learn more about matching gifts, [click here](#).

Thank you for your generosity!

Subject: Thank You for Supporting Me

Thank you for supporting my fundraising efforts for the Lupus Foundation of America, Georgia Chapter's Walk to End Lupus Now™. Your generous support of the Foundation and its programs makes it possible to continue working towards bringing an end to lupus.

Every day, lupus exacts a brutal toll on the lives of people affected by this misunderstood and unpredictable disease – physically, emotionally and financially. It ravages different parts of the body, has no known cause and no known cure. While lupus can strike anyone at any time, 90 percent of people who develop lupus are young women in the prime of life. Thank you for joining me in raising money to reduce this tragic statistic.

One last request – please check with your employer to determine if your company has a matching gift program. This can potentially double your donation and support.

Thank you again for your contribution!
